

**Leek Town Council**

**Allotments Committee report November 2020**

The allotments continue to be well used and demand is still high with 70 people on the waiting list.

The recent vandalism of greenhouses on 21 Peggs Field has been reported to the police and they have investigated the matter. A shed alarm and a skip for glass has been provided. We have asked Staffordshire County Council for advice regarding public rights of way through Peggs Field allotment.

I am continuing to provide the dates for Test and Trace at Newton House for the Cheadle Road tenants.

The annual allotment rent is due by the end of January 2021 and it will need to be paid by bank transfer, standing order or cheque. No cash will be accepted.

**Cllr. Sue Coleman**  
**Chairman of Allotments**
